Samples and price list are available on request.

Cards and bookmarks can be produced on either White or Cream Card

Memorial Cards and Bookmarks are all laminated as standard

Envelopes can be supplied with cards if requested.

Individually designed cards can be created to include a verse, drawing, picture or scene of your choice. Background scenes and verses from different samples on our brochure can also be selected and combined according to taste

For best results a high-quality digital photograph will be required. Some editing can be done to improve quality.

Further reprints can be produced if required.

Prices quoted include a design charge but please note this includes a first photograph edit only. If an image needs to be changed or extra photo editing is requested, an additional fee of €25 per photo will be applied.

Proof of artwork will be supplied for each card ordered. It is the responsibility of the customer to check final proofs carefully before issuing approval to print. We regret we cannot accept responsibility for mistakes detected after this approval has been issued.
